Dear Bangs Canyon Interested Public:

Happy New Year! I wanted to update you on where we are with the Bangs Canyon Implementation Environmental Analysis (EA). We are taking the information you and other interested folks have provided and incorporating it with actions spelled out in the Bangs Plan into an EA. We hope to have preliminary alternatives for implementing the Bangs Canyon Plan developed by the end of January. We would like to extend an invitation to you and your associates to view our staff in action, developing alternatives for the implementation EA.

Please contact me at (970) 244-3031 or Jim Cooper at (970) 244-3047 to arrange a time to meet with us.

Again, updates on Bangs Canyon Implementation can be found at:
